## INDEPENDENT AUDITORS' REPORT

Board of Education  
Unified School District No. 476  
Copeland, Kansas 67837

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of Unified School District No. 476, Copeland, Kansas, a municipality, as of and for the year ended June 30, 2014 and the related notes to the financial statement.

### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the Kansas Municipal Audit and Accounting Guide as described in Note 1 to meet the financial reporting requirements of the State of Kansas; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

### *Auditor's Responsibility*

Our responsibility is to express an opinion on the financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, and the Kansas Municipal Audit and Accounting Guide. Those standards require we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### *Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles*

As described in Note 1 of the financial statement, the financial statement is prepared by Unified School District No. 476, Copeland, Kansas to meet the requirements of the State of Kansas on the basis of the financial reporting provisions of the Kansas Municipal Audit and Accounting Guide, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

### *Adverse Opinion on U.S. Generally Accepted Accounting Principles*

In our opinion, because of the significance of the matter discussed in the "Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles" paragraph, the financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of Unified School District No. 476, Copeland, Kansas as of June 30, 2014, or changes in financial position and cash flows thereof for the year then ended.

### *Opinion on Regulatory Basis of Accounting*

In our opinion, the financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of Unified School District No. 476, Copeland, Kansas as of June 30, 2014, and the aggregate receipts and expenditures for the year then ended in accordance with the financial reporting provisions of the Kansas Municipal Audit and Accounting Guide described in Note 1.

### *Report on Supplementary Information*

Our audit was conducted for the purpose of forming an opinion on the fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances (basic financial statement) as a whole. The summary of regulatory basis expenditures-actual and budget, individual fund schedules of regulatory basis receipts and expenditures-actual and budget, summary of receipts and disbursements-agency funds and schedule of receipts, expenditures and unencumbered cash-district activity funds (Schedules 1, 2, 3 and 4 as listed in the table of contents) are presented for analysis and are not a required part of the basic financial statement, however are required to be presented under the provisions of the Kansas Municipal Audit and Accounting Guide. The graphical analysis (Schedule 5 as listed in the table of contents) is presented for purposes of additional analysis and is not a required part of the financial statement nor required to be presented under the provisions of the Kansas Municipal Audit and Accounting Guide. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statement. The information has been subjected to the auditing procedures applied in the audit of the basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statement or to the basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statement as a whole, on the basis of accounting described in Note 1.

The 2013 Actual column presented in the individual fund schedules of regulatory basis receipts and expenditures-actual and budget (Schedule 2 as listed in the table of contents) is also presented for comparative analysis and is not a required part of the 2014 basic financial statement upon which we rendered an unmodified opinion dated December 10, 2014. The 2013 basic financial statement and our accompanying report are not presented herein, but are available in electronic form from the web site of the Kansas Department of Administration at the following link <http://da.ks.gov/ar/muniserv/>. UNIFIED SCHOOL DISTRICT NO. 476  
NOTES TO THE FINANCIAL STATEMENT  
June 30, 2014

Note 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. REPORTING ENTITY

Unified School District No. 476, Copeland, Kansas (District) is a municipal corporation governed by an elected seven-member board. This financial statement presents Unified School District No. 476 (the municipality) and does not include any of its related municipal entities.

B. REGULATORY BASIS FUND TYPES

General fund - the chief operating fund. Used to account for all resources except those required to be accounted for in another fund.

Special Purpose fund - used to account for the proceeds of specific tax levies and other specific regulatory receipt sources (other than Capital Project and tax levies for long-term debt) that are intended for specified purposes.

Bond and Interest fund - used to account for the accumulation of resources, including tax levies, transfers from other funds and payment of general long-term debt.

Trust fund - funds used to report assets held in trust for the benefit of the municipality (i.e. pension funds, investment trust funds, private purpose trust funds which benefit the municipality, scholarship funds, etc.).

Agency fund - funds used to report assets held by the municipality in a purely custodial capacity (payroll clearing fund, county treasurer tax collection accounts, etc.).

C. BASIS OF ACCOUNTING

*Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America.* The KMAAG regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis receipts and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

The District has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of generally accepted accounting principles and allowing the municipality to use the regulatory basis of accounting.

D. CASH AND INVESTMENTS

Cash balances from all funds are combined and invested to the extent available. Cash and investments consist of interest bearing checking accounts and certificates of deposit. Earnings from these investments are allocated to designated funds. Cash and investments are stated at cost.

#### E. AD VALOREM TAX REVENUE

The determination of assessed valuation and the collection of property taxes for all political subdivisions in the State of Kansas are the responsibility of the various counties. The County Appraiser annually determines assessed valuation and the County Clerk spreads the annual assessment on the tax rolls. One-half of the property taxes are due December 20 and distributed to the District by January 20. The second half is due May 10 and distributed to the District by June 5. The District Treasurer draws available funds from the County Treasurer at designated times throughout the year.

#### F. REIMBURSED EXPENSES

The District records reimbursable expenditures in the fund that makes the disbursement and records reimbursements as a receipt to the fund that receives the reimbursement. For purposes of budgetary comparisons, the expenditures are properly offset by the reimbursements under KMAAG regulatory basis accounting.

#### G. USE OF ESTIMATES

The preparation of the financial statement on a prescribed basis of accounting that demonstrates compliance with the cash basis and budget laws of the State of Kansas requires management to make estimates and assumptions that affect the amounts reported in the financial statement and accompanying notes. Actual results may differ from those estimates.

#### Note 2 - BUDGETARY INFORMATION

Kansas statutes require that an annual operating budget be legally adopted for the general fund, special purpose funds (unless specifically exempted by statute), bond and interest funds, and business funds. Although directory rather than mandatory, the statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

1. Preparation of the budget for the succeeding calendar year on or before August 1st.
2. Publication in local newspaper of the proposed budget and notice of public hearing on the budget on or before August 5th.
3. Public hearing on or before August 15th, but at least ten days after publication of notice of hearing.
4. Adoption of the final budget on or before August 25th.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in regulatory receipts other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least ten days after publication the hearing may be held and the governing body may amend the budget at that time. There were no such budget amendments for this year.

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison schedules are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

Adjustment to Comply with Legal Max: Districts should use this line item (for use in the budget column only) to adjust the certified budget to comply with the "Legal Max" budget. The State Board of Education calculates the "Legal Max" budget using enrollment figures. The District's budgeted expenditures are limited to the lower of the published budget or the "Legal Max" budget.

## Note 2 - BUDGETARY INFORMATION (Cont'd.)

Adjustment for Qualifying Budget Credits: District may use this line item for any budgeted fund. The adjustment would be a positive amount. All budget adjustments must be authorized by Kansas statutes. Examples include: expenditure of federal grant monies, reimbursements, gifts and donations and receipts authorized by law to be spent as if they were reimbursed expenses.

All legal annual operating budgets are prepared using the regulatory basis of accounting, in which, regulatory receipts are recognized when cash is received and expenditures include disbursements, accounts payable, and encumbrances, with disbursements being adjusted for prior year's accounts payable and encumbrances. Encumbrances are commitments by the municipality for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. Any unused budgeted expenditure authority lapses at year-end.

A legal operating budget is not required for capital project funds, trust funds, and the following special purpose funds:

Gifts and Grants Fund	Title II Fund
Contingency Reserve Fund	REAP Grant 2013 Fund
Textbook Rental Fund	Fresh Fruits & Vegetables Grant Fund
Title I Fund	District Activity Funds

Spending in funds which are not subject to the legal annual operating budget requirement is controlled by federal regulations, other statutes, or by the use of internal spending limits established by the governing body.

## Note 3 - COMPLIANCE WITH KANSAS STATUTES

Management is aware of no statutory violations for the period covered by the audit.

## Note 4 - DEPOSITS

K.S.A. 9-1401 established the depositories which may be used by the District. The statute requires banks eligible to hold the District's funds have a main or branch bank in the county in which the District is located, or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the bank to pledge securities for deposits in excess of FDIC Coverage. The District has no other policies that would further limit interest rate risk.

K.S.A. 12-1675 limits the District's investments of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The District has no investment policy that would further limit its investment choices.

*Concentration of credit risk* . State statutes place no limit on the amount the District may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405.

*Custodial credit risk - deposits* . Custodial credit risk is the risk that in the event of a bank failure, the District's deposits may not be returned to it. State statutes require the District's deposits in financial institutions to be entirely covered by federal depository insurance, bank guarantee bonds, or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka, except during designated "peak periods" when required coverage is 50%. There were no designated "peak periods" during the year. All deposits were legally secured at June 30, 2014.

#### Note 4 - DEPOSITS (Cont'd.)

At June 30, 2014 the District's carrying amount of deposits was \$1,535,246.22 and the bank balance was \$1,531,033.46. The bank balance was held by one bank resulting in a concentration of credit risk. Of the bank balance, \$250,000.00 was covered by federal depository insurance, and \$1,281,033.46 was collateralized with securities held by the pledging financial institution's agents in the District's name.

#### Note 5 - IN-SUBSTANCE RECEIPT IN TRANSIT

The District received \$67,914.00 (\$65,364.00 in General and \$2,550.00 in Supplemental General) subsequent to June 30, 2014 and as required by K.S.A. 72-6417 and 72-6434 the receipt was recorded as an in-substance receipt in transit and included as a receipt for the year ended June 30, 2014.

#### Note 6 - SUMMARY OF INDEBTEDNESS

The District is subject to the statutes of the State of Kansas that limits the net bonded debt. The debt outstanding may not exceed 14% of the assessed value of all tangible taxable property within the District unless additional authority is granted by the Kansas State Board of Education. The amount of bonds outstanding is computed exclusive of certain bonds specifically exempted from this limitation. At June 30, 2014, the statutory limit for the District was \$2,238,609.24. The outstanding bond principal represents 22.79% of the District valuation. The District received a waiver from the Kansas Department of Education to exceed the bond debt limit.

## Note 9 - OTHER LONG-TERM OBLIGATIONS FROM OPERATIONS

*Other Post Employment Benefits*. As provided by K.S.A. 12-5040, the District allows retirees to participate in the group health insurance plan. While each retiree pays the full amount of the applicable premium, conceptually, the District is subsidizing the retirees because each participant is charged a level of premium regardless of age. However, the cost of this subsidy has not been quantified in this financial statement.

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the District makes health care benefits available to eligible former employees and eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured.

*Compensated Absences*. The District grants each full-time employee two weeks vacation each year to be taken during the summer months. Vacation leave is not reimbursed upon termination, therefore, there is no potential liability for vacation leave as of June 30, 2014.

At the beginning of the year each employee will receive ten days of sick leave accumulative up to a maximum of ninety days. Unused sick leave is reimbursed to a teacher upon termination at a rate of \$10 per day, accumulative to thirty days. The potential liability for unused sick leave as of June 30, 2014 and 2013 is \$2,025.00 and \$2,225.00, respectively, which is a net change of (\$200.00).

## Note 10 - DEFINED BENEFIT PENSION PLAN

*Plan description*. The District participates in the Kansas Public Employees Retirement System (KPERS), a cost-sharing, multiple-employer defined benefit pension plan as provided by K.S.A. 7-4901, etc. seq. KPERS provides retirement benefits, life insurance, disability income benefits, and death benefits. Kansas law establishes and amends benefit provisions. KPERS issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained by writing to KPERS (611 South Kansas, Suite 100, Topeka, KS 66603) or by calling 1-888-275-5737.

#### Note 10 - DEFINED BENEFIT PENSION PLAN (Cont'd.)

*Funding Policy.* K.S.A. 74-4919 and K.S.A. 74-49,210 establish the KPERS member-employee contribution rates. Effective July 1, 2009 KPERS has two benefit structures and funding depends on whether the employee is a Tier 1 or Tier 2 member. Tier 1 members are active and contributing members hired before July 1, 2009. Tier 2 members were first employed in a covered position on or after July 1, 2009. Kansas law establishes the KPERS member-employee contribution rate at 4% from July 1 through December 31, 2013 and 5% from January 1 through June 30, 2014 of covered salary for Tier 1 members and at 6% of covered salary for Tier 2 members. Member employee's contributions are withheld by their employer and paid to KPERS according to the provisions of Section 414(h) of the Internal Revenue Code.

The State of Kansas is required to contribute the statutory required employers share.

#### Note 11 - RISK MANAGEMENT

The District is exposed to various risks of losses related to torts; thefts of, damages to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The District has been unable to obtain workers compensation insurance at a cost it considered to be economically justifiable. For this reason, the District joined together with other school districts in the State to participate in KASB Risk Management Services, Inc., a public entity risk pool currently operating as a common risk management and insurance program for participating members.

The District pays an annual premium to KASB Risk Management Services, Inc. for its workers compensation insurance. The agreement to participate provides that the KASB Risk Management Services, Inc. will be self-sustaining through member premiums and will reinsure through commercial companies for excess claims for each insured event. Additional premiums may be due if total claims for the pool are different than what has been anticipated by KASB Risk Management Services, Inc.'s management.

The District continues to carry commercial insurance for all other risks of loss, including equipment, property and building coverage. There have been no significant reductions in coverage from the prior year and settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years.

#### Note 12 - LEASE COMMITMENTS

##### Operating Leases:

The District has entered into an operating lease for a postage machine which contains cancellation provisions and is subject to annual appropriations. For the year ended June 30, 2014 rent expenditures were \$720.00. Of these expenditures \$360.00 was made from the General Fund and \$360.00 was made from the Supplemental General Fund.

#### Note 13 - SUBSEQUENT EVENTS

The District has evaluated events subsequent to year end through December 10, 2014, and believes the following event has occurred which affects the financial statement.

On August 18, 2014 the Board approved a resolution authorizing and providing for the sale, issuance and delivery of General Obligation Refunding Bonds, Series 2014, for the purpose of providing funds to refund a portion of the issuer's outstanding general obligation bonds.

Management does not believe any other events have occurred which affect the financial statement as presented.
